ENGLISH | OCTOBER 2026

OUR COMPANY

Coffee, trade and personal relationships.

Coffeeworld1985 is the trading identity of Coffee World sp. z o.o., a Polish company registered in 2018. We bring together green coffee enquiries, Italian roasted coffee and direct contact with professional buyers.

TWO COMPLEMENTARY PRODUCT LINES

Green coffee

Unroasted Arabica and Robusta for roasters and importers, with origin, grade and shipment requirements discussed for each enquiry.

Lavazza

Italian roasted coffee beans in 1 kg packs, offered for eligible export destinations and quoted to the buyer’s product mix.

COMPANY REGISTRATION

COFFEE WORLD sp. z o.o.
KRS 0000743644 | VAT PL5732903879
ul. Chmielna 73B/14, 00-801 Warszawa, Poland

Our next step: preparations for a French operation near Grenoble, bringing our trading activity closer to buyers and partners in the region.

GREEN COFFEE

A starting point for your next roast.

Unroasted coffee for professional buyers. Origin, species, grade and availability are confirmed for each lot.

ORIGINS WITHIN OUR TRADING ENQUIRIES

Kenya	East Africa
Tanzania	East Africa
Uganda	East Africa
Ghana	West Africa
Vietnam	Southeast Asia

Request Arabica or Robusta and specify your preferred origin. Available species, grades and lots depend on origin and supply; we confirm the selection with your quotation.

THE JOURNEY IN PICTURES

From drying beds to green beans.

Coffee drying beds in a covered processing area.

Green coffee sample

A closer look at unroasted beans

Processing and preparation vary by origin and lot. Ask for the specific process and quality information for your requested coffee.

STORAGE AND LOGISTICS

Coffee ready for the next stage.

Bagged coffee in warehouse storage

Stacked bags prepared for handling

Loading bagged coffee into a lined shipping container.

Operational photographs supplied for this catalogue. Shipment quantity, packing and handling instructions are agreed for each consignment.

SPECIFY THE LOT

Choose the coffee. Confirm the details.

Visual inspection of unroasted beans

Moisture measurement during handling

01 Origin and preparation

Tell us the country, Arabica or Robusta, preferred processing method and intended use.

02 Quality requirements

Request the lot specification: screen size, moisture, defects, crop information and any other agreed quality criteria. Samples and documents are discussed before purchase.

03 Packing and shipment

Standard enquiries: 60 kg bags and 20-foot container shipments. Confirm the bag count, net weight, loading plan and destination in the quotation.

Photos from the Coffeeworld1985 communication archive illustrate beans and handling. Lot specifications and available documents govern the actual order.

LAVAZZA ROASTED COFFEE

Italian coffee.
Built around your market.

A selection of 1 kg coffee beans for wholesale enquiries. Confirm the exact SKU, packaging and permitted destination with us.

Qualità Oro

100% Arabica coffee beans.

Crema e Aroma

Roasted coffee beans for espresso.

Crema e Gusto Classico

1 kg roasted coffee beans.

Qualità Rossa

Arabica and Robusta coffee beans.

Lavazza is offered only for authorised export markets. Range, labels and packaging may vary by market and production batch. This catalogue is a selection, not a stock guarantee.

BUILD YOUR PRODUCT MIX

More choice.
One wholesale enquiry.

Other 1 kg varieties can be requested. Tell us the exact reference your customers need.

Top Class

Gran Espresso

Espresso Italiano Cremoso

Espresso Barista Gran Crema

Super Crema

Espresso Italiano Classico

Compare variants using the current product label or specification. Blend, roast and packaging must match the SKU in the quotation. Prices and availability on request.

FROM WAREHOUSE TO DESTINATION

Plan the shipment. Agree every step.

GREEN COFFEE

60 kg bag enquiries.
20-foot container shipments.
Final weight and packing list agreed per load.

LAVAZZA

Full truckload: 33 pallets.
Up to 4 varieties, subject to loading approval.
Indicative configuration: 13,068 × 1 kg packs.

Before dispatch - Product references, quantities, eligible destination, delivery terms, transport cost and payment schedule are agreed in the quotation and order documents.

Payment and release - Deposit and balance terms are stated on the proforma. Where payment is due before unloading, goods are released only after receipt is confirmed.

Transit time, transport mode, load configuration, insurance allocation and remaining shelf life are confirmed for the actual shipment. No fixed delivery time or credit approval is promised here.

LET’S DISCUSS YOUR ORDER

Tell us what your business needs.

01 **Your company**

Legal name, VAT or registration number, contact person and country.

02 **Your coffee**

Lavazza SKU and product mix, or green coffee origin, species and quality requirements.

03 **Your shipment**

Quantity, destination or port, preferred timing and delivery requirements.
